

"To reduce the spread of STIs and HIV through education, free testing access, and stigma-free community outreach."

## WHO WE ARE

Project Health Outreach Incorporated (PHO) is a nurse-led 501(c)(3) nonprofit founded by Deborah Nicolo, MSN, APRN, a registered nurse with over 37 years of clinical experience and U.S. Army service.

PHO bridges the gap between underserved communities and life-saving HIV/STI prevention services across the Tampa Bay region through compassionate, stigma-free outreach.

## OUR PROGRAMS

### HIV/STI Education Workshops

Community-based workshops covering transmission, prevention, and reducing stigma.

### Free Community Testing Events

Mobile and fixed-site rapid HIV and STI testing at no cost to participants.

### PrEP Navigation

Assistance accessing Pre-Exposure Prophylaxis for high-risk individuals, including insurance enrollment support.

### Linkage to Care

Connecting newly diagnosed individuals to treatment, case management, and support services.
